### Retirement Status Criteria

Ontario Association of Veterinary Technicians members are eligible for Retirement Status if the following criteria are met;

- they have been a continuous member for at least 25 years
- are retiring from the profession permanently

A retired member may return to active status one (1) time if the change is made within one (1) year of retiring without having to complete the entire re-registration process.

Retired members have the following rights and responsibilities as they relate to the association;

- Pay retired status membership dues of \$31.25 (plus applicable taxes) per membership year
- Conduct themselves in a manner keeping with the OAVT professional standards
- Identify themselves with the retired designation; RVTr or VTr
- Receive the benefits of full membership including voting privileges and the ability to sit on the Board of Directors and/or committees
- Attend the OAVT AGM and Annual Conference

I, \_\_\_\_\_, would like to apply for Retirement Status effective \_\_\_\_YYYY / \_\_\_\_MM / \_\_\_\_DD.  
I understand that in requesting Retirement Status, I will no longer actively practice in the profession of Veterinary Technology.

In accepting the status of retirement, I acknowledge that I will no longer be insured for Errors and Omissions under the Ontario Association of Veterinary Technicians insurance policy.
